Natural Resources Department

Request for Proposals (RFP): Drill Water Wells on Kiowa Tribal Lands

The Kiowa Tribe Natural Resource Department, on behalf of the Department of Interior through the Bureau of Reclamation (USBR), is soliciting proposals from qualified companies for the drilling of water wells in three strategic locations within Caddo County, Oklahoma. These wells will be situated on Kiowa Tribal Lands and fall under federal jurisdiction, adhering to the guidelines set forth by the USBR program. This endeavor is aimed at bolstering the water resource program of the Kiowa Tribe and aligns with the procurement policy established by the Kiowa Tribe.

Project Overview: The selected company will be responsible for drilling water wells in three different strategic locations within Caddo County, OK, as designated by the Kiowa Tribe Natural Resource Department. The wells must adhere to all relevant federal regulations and meet the technical specifications outlined in the USBR program.

Scope of Work:

1. Conduct site assessments and surveys to determine optimal locations for well drilling.
2. Obtain all necessary permits and approvals for drilling operations on Kiowa Tribal Lands.
3. Drill water wells to specified depths and diameters, ensuring compliance with USBR program requirements.
4. Install appropriate casing, screens, and pumping equipment as per industry standards.
5. Provide documentation as required by the Kiowa Tribe Natural Resource Department and USBR.

Submission Requirements: Interested companies must submit a comprehensive proposal outlining their qualifications, experience, proposed methodology, timeline, and cost estimates for the project. Proposals should also include relevant certifications, licenses, and references.

Deadline for Submission: All proposals must be submitted no later than at [insert time] CST. Late submissions will not be considered.

Evaluation Criteria: Proposals will be evaluated based on the following criteria:

1. Experience and qualifications of the company in drilling water wells.
2. Technical approach and methodology for the project.
3. Compliance with USBR program requirements and federal regulations.
4. Cost-effectiveness and value for the Kiowa Tribe.

Contact Information: For inquiries and submission of proposals, please contact: Derek Tofpi at the Kiowa Tribe Contracts Department 580-654-6300 email: dtofpi@kiowatribe.org

The Kiowa Tribe reserves the right to reject any or all proposals and to waive any informality or irregularity in the proposals received. This RFP does not commit the Kiowa Tribe to award a contract or to pay any costs incurred in the preparation of proposals.

Thank you for your interest in partnering with the Kiowa Tribe on this important project.
